

TITLES RECOMMENDED FOR INDEXING - 2007

Acta horticulturae
Activities report of the R & D Associates
Advances in agronomy
Advances in dairy technology
Advances in insect physiology
Advances in microbial ecology
Advances in parasitology
Advances in pork production
Advances in the study of behavior
Advances in water resources
Ag connection
Ag opportunities
Agbioforum
Agribusiness
Agricultural and forest meteorology
Agricultural education magazine
Agricultural finance review
Agricultural history
Agricultural outlook
Agricultural research
Agricultural systems
Agricultural water management
Agriculture and human values
Agriculture, ecosystems and environment
Agroborealis
Agroforestry systems
Agronomy for sustainable development
Agronomy journal
Alternatives to laboratory animals: ATLA
Amber waves
American bee journal
American journal of agricultural economics
American journal of clinical nutrition
American journal of enology and viticulture
American journal of physiology
American journal of potato research: an official publication of the Potato
Association of America
American journal of veterinary research
Animal biotechnology
Animal feed science and technology
Animal reproduction science
Animal science
Animal welfare
Animal Welfare Information Center bulletin

Annals of microbiology
Annals of nutrition and metabolism
Annals of the Entomological Society of America
Annual meeting - National Mastitis Council, Inc.
Annual progress report - South Dakota State University
Annual report - Michigan State University
Annual report - North Dakota State University
Annual report of the Bean Improvement Cooperative
Annual review of ecology, evolution and systematics
Annual review of entomology
Annual review of nutrition
Annual review of phytopathology
Annual review of plant biology
Anthozoos
Appalachia
Appetite
Apple pest management report
Applied animal behaviour science
Applied biochemistry and biotechnology
Applied engineering in agriculture
Applied soil ecology
Applied statistics in agriculture: proceedings of the ... Kansas State University
Conference on Applied Statistics in Agriculture
Applied turfgrass science
Applied vegetation science: official organ of the International Association for Vegetation Science
Aquacultural engineering
Aquaculture
Aquaculture economics & management: official journal of the International Association of Aquaculture Economics and Management
Aquaculture magazine
Aquatic toxicology
Arbor age
Archives of insect biochemistry and physiology
Arid land research and management
Arkansas land & life
Arthropod structure & development
Asian-Australasian journal of animal sciences
Australian forestry
Australian journal of agricultural research
Australian journal of botany
Australian journal of experimental agriculture
Australian veterinary journal
Avian diseases
Avian pathology: journal of the WVPA
Barley genetics newsletter

Barnyards to backyards
be foodsafe: the FSIS magazine
Beef cattle time
Biocontrol science and technology
Biological agriculture and horticulture: an international journal
Biological Conservation
Biological control: theory and applications in pest management
Biological invasions
Bioresource technology
BioScience - American Institute of Biological Sciences
Biosystems engineering
Biotechnology progress
Botanical review
British Food Journal
British journal of nutrition
British poultry science
Bulletin of entomological research
Business source
California agriculture
Canadian biosystems engineering
Canadian entomologist
Canadian journal of animal science
Canadian journal of botany = Journal canadien de botanique
Canadian journal of dietetic practice and research
Canadian journal of forest research = Revue canadienne de recherche forestiere
Canadian journal of microbiology
Canadian journal of plant science = Revue canadienne de phytotechnie
Canadian journal of soil science
Canadian journal of veterinary research = Revue canadienne de recherche veterinaire
Canadian plant disease survey
Canadian veterinary journal
Carbohydrate polymers
Celebrate! a healthy you
Cereal chemistry
Cereal foods world
Chemosphere
Choices: the magazine of food, farm and resource issues
CIGR e-journal
Citrus research report
Clinical techniques in small animal practice
Coastal heritage
Common sense pest control quarterly
Communications in soil science and plant analysis
Communiqué
Community development: journal of the Community Development Society

Community Food Systems and Sustainable Agriculture Program newsletter
Comparative medicine
Compass
Compendium on continuing education for the practicing veterinarian
Compost science & utilization
Computers and electronics in agriculture
Connect
Connections
Contributions of the American Entomological Institute
Cotton: a College of Agriculture and Life Sciences report
Critical reviews in food science and nutrition
Critical reviews in plant sciences
Crop and pest report
Crop management
Crop protection
Crop science
Crop watch
Current opinion in plant biology
Diabetes forecast
Discovery
Domestic animal endocrinology
Ecological applications
Ecological monographs
Ecology of food and nutrition
Ecology: a publication of the Ecological Society of America
Economic botany
Economic development review
EMBO journal - European Molecular Biology Organization
Engineering field notes
Environmental and experimental botany
Environmental entomology
Environmental nutrition
Environmental pollution
Environmental toxicology and chemistry
Equine veterinary journal
Euphytica
European journal of agronomy
European journal of clinical nutrition
Experimental agriculture
Experimental parasitology
FAS worldwide
FDA consumer
Field crops research
Fire management today
Flora: Morphologie, Geobotanik, Oekophysiologie
Florida entomologist

Food additives and contaminants
Food and agricultural immunology
Food and bioproducts processing: transactions of the Institution of Chemical Engineers, Part C
Food and chemical toxicology: an international journal published for the British Industrial Biological Research Organization
Food and nutrition news
Food biotechnology
Food chemistry
Food control
Food hydrocolloids
Food microbiology
Food policy
Food protection trends
Food quality and preference
Food research international
Food reviews international
Food science and technology research
Food technology
Foodborne pathogens and disease
Foodsafety magazine
Forage and grain: a College of Agriculture and Life Sciences report
Forage and grazinglands
Forest ecology and management
Forest policy and economics
Forest products journal
Forest science
Forestry chronicle
Forests, trees and livelihoods
From the ground up
Fruit notes of New England
FSIS constituent update
Functional plant biology: FPB
Fungal genetics and biology
Futures
Garden clippings
Garden talk
Genetics
Genetics and molecular research: GMR
Genome
Genomics
Global biogeochemical cycles
Grassroots development: journal of the Inter-American Foundation
Green horizons
Ground water monitoring & remediation
Grounds maintenance

Hatchery international
HerbalGram
Heredity
Horse express
Hort notes
Horticultural reviews
Horticulture hints newsletter
HortScience
HortTechnology
Hydrology and earth system sciences
ILAR journal
Impact
In practice
Industrial crops and products
Info & ideas
Innovative food science & emerging technologies
Insect biochemistry and molecular biology
Integrated crop management
Integrated pest and crop management
International dairy journal
International journal for parasitology
International journal for vitamin and nutrition research
International journal of agricultural sustainability
International journal of eating disorders
International journal of food microbiology
International journal of forest engineering
International journal of obesity
International journal of pest management
International journal of phytoremediation
International journal of plant sciences
International journal of sport nutrition and exercise metabolism
International journal of technology management
Iowa manure matters - odor and nutrient management
IPM practitioner
Irish journal of agricultural and food research
Irrigation and drainage systems: an international journal
Irrigation and drainage: the journal of the International Commission on Irrigation and Drainage
Israeli journal of aquaculture = Bamidgeh
Johns Hopkins Center for Alternatives to Animal Testing newsletter
Journal of agricultural & environmental ethics
Journal of agricultural and applied economics
Journal of agricultural and food chemistry
Journal of agricultural and resource economics
Journal of agricultural education
Journal of agricultural education and extension

Journal of agricultural science
Journal of agricultural, biological, and environmental statistics
Journal of agriculture of the University of Puerto Rico
Journal of agromedicine
Journal of agronomy and crop science
Journal of AOAC International
Journal of applied aquaculture
Journal of applied communications
Journal of applied ecology
Journal of aquaculture in the tropics
Journal of arid environments
Journal of bioscience and bioengineering
Journal of biotechnology
Journal of cereal science
Journal of chemical ecology
Journal of child nutrition and management
Journal of chromatography. A.
Journal of comparative pathology
Journal of contaminant hydrology
Journal of cotton science
Journal of crop improvement
Journal of dairy research
Journal of dairy science
Journal of dietary supplements
Journal of economic entomology
Journal of entomological science
Journal of environmental management
Journal of environmental quality
Journal of environmental science and health: Part B: Pesticides, food
contaminants and agricultural wastes
Journal of equine veterinary science
Journal of essential oil research: JEOR
Journal of ethnopharmacology
Journal of extension
Journal of feline medicine and surgery
Journal of food composition and analysis
Journal of food distribution research
Journal of food engineering
Journal of food protection
Journal of food safety
Journal of food science: an official publication of the Institute of Food
Technologists
Journal of foodservice
Journal of forestry
Journal of general virology
Journal of herbs, spices & medicinal plants

Journal of human nutrition and dietetics
Journal of hydrology
Journal of industrial microbiology & biotechnology
Journal of insect physiology
Journal of insect science
Journal of invertebrate pathology
Journal of irrigation and drainage engineering
Journal of medical entomology
Journal of medicinal food
Journal of natural products
Journal of natural resources and life sciences education
Journal of nematology
Journal of nutrition
Journal of nutrition education and behavior
Journal of nutrition for the elderly
Journal of nutritional & environmental medicine
Journal of nutritional biochemistry
Journal of parasitology
Journal of pesticide reform
Journal of plant nutrition
Journal of plant physiology
Journal of research in rural education
Journal of rural health
Journal of rural studies
Journal of small animal practice
Journal of soil and water conservation
Journal of stored products research
Journal of sustainable agriculture
Journal of sustainable forestry
Journal of swine health and production
Journal of technology transfer
Journal of the American Animal Hospital Association
Journal of the American Association for Laboratory Animal Science
Journal of the American College of Nutrition
Journal of the American Dietetic Association
Journal of the American Leather Chemists Association
Journal of the American Oil Chemists' Society
Journal of the American Society for Horticultural Science
Journal of the American Veterinary Medical Association
Journal of the American Water Resources Association
Journal of the Institute of Brewing
Journal of the science of food and agriculture
Journal of the World Aquaculture Society
Journal of vegetable science
Journal of vegetation science
Journal of veterinary diagnostic investigation

Journal of veterinary emergency and critical care
Journal of veterinary internal medicine
Journal of veterinary medicine. A.
Journal of veterinary medicine. B.
Journal of veterinary pharmacology and therapeutics
Journal of veterinary science
Journal of wildlife diseases
Journal of wildlife management
Journal of wood chemistry and technology
Kentucky aquatic farming
Kincare connections
Lab animal
Laboratory animals
Lagniappe fisheries newsletter
Land degradation & development
Land economics
Lebensmittel-Wissenschaft und -Technologie = Food science and technology
Life times
Lipids
Livestock science
Living well newsletter
